

# Bass Curtal Fingering Chart

The chart displays 12 columns of diagrams, each corresponding to a specific note and fingering combination. The notes are arranged in a sequence across the systems, with accidentals (sharps, flats, naturals) indicating the pitch. The diagrams use black and white dots to show which strings are fretted and by which finger. Some diagrams include a checkered flag icon or a slash through a circle, likely indicating specific techniques or alternate fingerings.
